

YOUTH AND FAMILY PASTOR

Central Christian Church is looking for a half-time youth and family pastor. The main responsibility would be to lead and expand our Junior High youth ministry, to help disciple our teens and to be a resource to our children's and family ministry. Musical talent and ability to lead worship will be considered a major asset.

We are looking for someone who has a mature relationship with Jesus as their Saviour and Lord, who is a person of prayer, has a heart of integrity and has strong relationship skills.

Some experience and gifting in youth ministry and worship leading would be necessary, as will an ability to teach and connect with youth on spiritual matters. We also see a key part of a youth pastor's role as being able to help recruit and equip church members to the work of the youth ministry.

We are moving to a model of inter-generational ministry and so you must be committed to the principle of Malachi 4:6 to: "turn the hearts of the children to their parents, and the hearts of the parents to their young." We are seeking to foster an "extended family" atmosphere where all ages are valued and contribute. This pastor must have an ability to connect relationally with parents and children, and a vision to integrate youth and children into the larger church community. They must be willing to work closely with other ministry staff, elders and board to help grow our church. A willingness and ability to pioneer new things and inspire others to new initiatives would also be a great asset.

The position will be considered part-time based on 20 hours per week. Wages will be \$20,000 per year.
